

Seriously Reassuring in developing your people

WHAT DO WE DO WITH YOU IN MIND?

- We put our Employers and their Employees at the **heart of everything that we do**.
- We deliver a range of **transformational programmes** that provide the opportunity for new recruits and existing employees to **excel** in their jobs.
- We work with all of our Employers to mould our programmes to their **unique skills needs** and our truly national footprint means that we can support their ambitions whatever their location.
- **Quality is at our core** and we are passionate about delivering the very best experience for all of our learners.
- As specialists in Apprenticeship delivery all of our programmes are mapped to Apprenticeship Standards.
- Our Employers have the opportunity to use their Apprenticeship Levy or direct funding from the Government to fund programme delivery and give their learners **recognised and transferable qualifications**.
- We're **passionate** about what we do and the impact that our work has on **our learners and the companies** that they work for.
